More Features – Faster Releases – Better Software – More AgileDev Define the future of enterprise DevOps

More than 200 IT executives will discuss and shape what DevOps really means for your business at the leading DevOps and continuous delivery event for enterprise senior executives on September 16 – 18 in San Diego. Join us for a chance to hear from leading experts in the field of DevOps and to exchange experiences and knowledge.

From Netflix, Spotify and Google to Fannie Mae, Visa and Comcast, meet the experts at Delivery of Things World to gain a deeper business and technical understanding of DevOps.

For more information or to book your ticket at the must attend DevOps event, visit www.deliveryofthingsworld.com
